Eager to learn and grow in tech.

## EDUCATION

### Chandigarh University , Mohali

B.Tech in Computer Science and Engineering

2021 - 2025

Mohali , India

### Army Public School , Jodhpur

Senior Secondary Education

March 2020

Jodhpur ,India

### Army Public School , Patiala

Secondary Education

March 2018

Patiala , India

## PROJECTS

### FitTrack Pro / Tech Used : Next.js , Node.js , Express.js and MongoDB

Jan - Apr 2025

- Built a full-stack Fitness Monitoring Web App with user authentication, workout tracking, and personalized goal setting.
- Implemented real-time data handling and a clean, user-friendly interface for smooth user experience.

### Trip Booking Website / Tech Used : HTML , CSS , JavaScript , Node.js , MySQL

Aug - Dec 2024

- Developed a dynamic Trip Booking Website with features like user authentication, real-time package availability, and booking history.
- Enabled users to search, book, and manage travel packages through an intuitive and responsive interface.

### Face Recognition Attendance System

Jan - Apr 2023

- Built a Face Recognition Attendance System Web Application that automates attendance marking using real-time facial recognition, enhancing accuracy and reducing manual errors
- Tech Stack: HTML, CSS, JavaScript , Python (OpenCV, face-recognition)

## TECHNICAL SKILLS

**Programming Languages:** C++ , SQL

**FrontEnd:** HTML , CSS , JavaScript , React.js , Next.js

**Backend :** Node.js , Express.js

**Database :** MySql , MongoDB , DBMS

## CERTIFICATION

- Certified in CSS3 by Infosys Springboard.
- Certified in JavaScript by Infosys Springboard.
- Completed Developing Front-End Apps with React from Coursera .

## POSITION OF RESPONSIBILITY

### Chandigarh University

Mohali , India

Team lead

- Led a team of 4 students, ensuring collaborative and timely delivery of project report, research paper and application.
- Implemented a streamlined workflow that led to a 30% increase in productivity, resulting in the completion of the project three weeks ahead of schedule.
